

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF SOUTH CAROLINA  
ROCK HILL DIVISION

Phillip C. Reeves,

Plaintiff,

vs.

Warden/Director, Greenville Cnty. Det. Cntr  
Scotty Bodiford,

Defendant.

Civil Action No. 0:23-cv-727-CMC

**ORDER**

This matter is before the court on Plaintiff's Complaint filed February 23, 2023. ECF No. 1. In accordance with 28 U.S.C. § 636(b) and Local Civil Rule 73.02 (B)(2)(d), D.S.C., the matter was referred to United States Magistrate Judge Paige J. Gossett for pre-trial proceedings.

On March 9, 2023, the Magistrate Judge issued a Report and Recommendation ("Report") recommending this matter be dismissed without prejudice and without issuance and service of process. ECF No. 9. The Magistrate Judge advised Plaintiff of the procedures and requirements for filing objections to the Report and the serious consequences if he failed to do so. Plaintiff failed to file objections, and the time to do so has expired.

The Magistrate Judge makes only a recommendation to this court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with the court. *See Mathews v. Weber*, 423 U.S. 261 (1976). The court is charged with making a *de novo* determination of any portion of the Report of the Magistrate Judge to which a specific objection is made. The court may accept, reject, or modify, in whole or in part, the recommendation made by the Magistrate Judge or recommit the matter to the Magistrate Judge with instructions. *See* 28 U.S.C. § 636(b). The court reviews the Report only for clear error in the absence of an objection.

*See Diamond v. Colonial Life & Accident Ins. Co.*, 416 F.3d 310, 315 (4th Cir. 2005) (stating that “in the absence of a timely filed objection, a district court need not conduct a *de novo* review, but instead must only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.”) (citation omitted).

After a review of the record, the applicable law, and the Report and Recommendation of the Magistrate Judge, the court finds no clear error, and agrees this matter should be dismissed for failure to state a claim on which relief may be granted, as a detention center’s lack of access to legal resources does not violate a detainee’s Sixth Amendment right. Accordingly, the court adopts the Report by reference in this Order. This matter is dismissed without prejudice and without issuance and service of process.

**IT IS SO ORDERED.**
